#190320-02 – Minutes of the February 20, 2019 meeting

Moved by Richard VanderKlok, seconded by Donna Ferguson, to approve the minutes as presented.

MOTION CARRIED UNANIMOUSLY.

#190320-03 – (REZ1901) Ordinance 2019-02:

Sec. 11.3 USES REQUIRING SPECIAL LAND USE APPROVAL.
(B) Housing for Fraternities, & Sororities, and Student Dormitories.

Sec. 20.4 SITE DESIGN STANDARDS.
(R) Housing for Fraternities, & Sororities, and Student Dormitories.
(1) The organization sorority or fraternity must be recognized by and affiliated with a state accredited college or university and shall be located within one (1) mile of such institution. The student dormitory shall be located within one (1) mile of a college or university.
(2) Minimum lot size shall be 15,000 square feet.
(3) Minimum lot size shall be 1,500 square feet per resident.
(4) Two (2) parking spaces shall be provided for each sleeping room or one and one-half spaces for each resident, whichever is greater.
(5) Only one (1) such structure shall be located on each lot.
(6) Each fraternity or sorority house or dormitory shall be limited to one (1) shared kitchen facility.

Tim Allspach, TJA Architecture Inc., represented the applicant and presented the request.

The Zoning Administrator presented a staff report.

The Planning Commission determined not to look at drawings of the proposed dormitory because the ordinance amendment was for the entire Township and the rezoning should be reviewed as per the 3 C’s and all uses allowed, not one particular use. It was noted that the developer would have to come back to the Planning Commission for special use approval.
The consensus of the Planning Commission was that the change made sense and was acceptable because the use was similar to a fraternity or sorority.

Tim Smit asked how the number of occupants would be regulated.

Donna Ferguson also noted that the stipulation of being located within one mile of a college or university would also limit the use to a location near Grand Valley State University.

Tom Healy said that he was concerned about density.

The applicant stated that the stipulation of the 1,500 square foot per resident and the parking requirement would limit the number of occupants accordingly.

The chairperson opened the public hearing. No one was present to speak at the public hearing. The chairperson closed the public hearing.

Moved by Richard VanderKlok, seconded by Jessica Ulberg, to recommend to the Township Board to adopt the staff report as finding of fact, and to approve the resolution.

Tom Healy asked if this would apply to a school such as the Chic School of Cosmetology.

The applicant stated that the building code differentiated that as a business.

Josiah Samy suggested adding the words that the student dormitory shall be located within one (1) mile of a state accredited college or university. The mover and seconder said to add it to the motion.

Motion as amended:

Moved by Richard VanderKlok, seconded by Jessica Ulberg, to recommend to the Township Board to adopt the staff report as finding of fact, and to approve the following resolution, with the change to add the words “The student dormitory shall be located within one (1) mile of a state accredited college or university:

The chairperson opened the public hearing. No one was present to speak at the public hearing. The chairperson closed the public hearing.
